When questioned re riding from 400m, Rdr explained reluctant to improve to outside of another runner at that point of the race as was of the belief would be forced wider round home turn-added in hindsight that improving to the outside of that runner would have resulted in clear running entering the home straight-further concurred that in hindsight this had resulted in mount then becoming awkwardly placed at heels for a number of strides early in home straight & being unable to be fully tested. Shifted wider approaching 200m to obtain clear running.
