S. Comments:Little slow to begin. Stewards opened an inquiry into the riding and performance of the gelding. Apprentice stated he was instructed to ride the horse back in the field as he had at its previous start then place the horse under riding from the 600 metres and it would respond well. Trainer confirmed these instructions and stated he would look to step the horse up in distance if possible. Stewards were of the opinion that Apprentice had erred in not placing the horse under pressure from approximately the 800 metres in an attempt to hold a position or race closer to the rear of the field.
