S. Comments: rider S Drake stated the gelding, which was having its first start, raced with its head in the air and was inclined to lay out in the early stages, and for this reason settled further back in the field than anticipated. She added DANCING VAGABOND was then able to work forward leaving the 700 metres, and in the straight made ground despite again having a tendency to layout when placed under pressure. S Drake further stated it now would be the stables intention to add blinkers and step the gelding up in distance. Stewards noted the explanation.
