S. Comments:When questioned regarding poor performance of the gelding Jockey could offer no explanation. Jockey explained after being in a favourable position early he placed his mount under pressure from the 600m however it commenced to weaken and failed to respond to his riding thereafter. Upon review of the start it was found the barrier gates sprung back striking the gelding however was not hampered as a consequence. Trainer advised Stewards the gelding had been treated for a cough in the week prior. A postrace veterinary exam revealed no abnormalities and the gelding's respiratory sounds were clear.

S. Comments:Trainer advised Stewards of a change of tactics in that the gelding would be ridden more aggressively in today's event. The gelding was ridden accordingly. Trainer advised Stewards that following the gelding's disappointing finishing effort today it would be immediately spelled. Trainer also advised that in the week preceding the gelding underwent blood tests all of which returned results within normal parameters.

Jockey advised Stewards that in his attempt to correct the mare the saddle slipped and he lost his near side iron placing him at a distinct disadvantage for the remainder of the race. Approaching the 800 metres carried another runner wider. Trainer was advised a warning would be placed on the mare for it's racing manners.

S. Comments:Rider questioned re tactics. Rider stated that it was not his intention to settle as far back, however after travelling a short distance he did not want to be committed to racing on the rail so he attempted to maintain a one off position, however other runners had improved around him he was forced to settle further back and on the rail. He added that we was unable to improve into the race as he would have liked as he was held up behind other runners under pressure. Trainer stated he was surprised to see it settle as far back, however agreed with riders comments.

Stewards also questioned Mrs Clark-Peoples in relation to the horse's improved performance and she indicated that she was somewhat surprised with the forward showing today and indicated that if the horse had performed poorly again today, it was the stable's intention to consider its future racing program.
