S. Comments: When questioned regarding the performance, Jockey said that after being slow to begin she rode her mount along in the early stages, to comply with her instruction to be in a prominent position. Jockey added that after this she was caught 4 wide without cover for the entirety of the event and attributed this to the filly's disappointing performance. A post-race veterinary examination of the filly did not reveal any abnormalities.

S. Comments:Leaving the 500 metres was inclined to race ungenerously. After shifting in towards the running rail ducked out abruptly, and shortly after straightening again shifted out abruptly, despite the efforts of its rider. Trainer said it was his intention to experiment with gear prior to the filly's next race start. He was advised that a warning will be placed on the filly.

S. Comments: Apprentice explained that his instructions were not to make use of mount in early stages, rather allow it to travel where comfortable. After beginning only fairly he elected to restrain rather than ride forward and obtain cover closer to the rail, to avoid being caught wide. Approaching home turn shifted wider in an attempt to follow one of the favoured runners, however another runner shifted out, taking his mount wider. Ran home strongly when

placed under pressure. Trainer confirmed instructions, but was disappointed with ride. 5-9 TOWN 1630 Good 6/12/2014 CL3-SW (Race 2) Graham Kliese

He said after beginning well he rode his mount along in an attempt to comply with his instructions. Added that in the middle stages he was able to work forward of the other runner however was unable to cross when he received calls appealing for racing room. Apprentice concurred with stewards that he should have made a greater effort to cross the runner to his inside which would have enabled him to dictate terms in front and not cover excessive ground.
