20/09/2016

S. Comments:Slow to begin. Held up approaching and rounding home turn and near 400m had to be checked when disappointed for a run. Post race vet exam revealed laceration to hind leg consistent with being galloped on. When questioned as to performance rider stated that horse performs well when able to improve into the race from the 600m. Intereference suffered near 400 prevented it from doing this and was unable to quicken again following interference.
