near the 150m and shifted wider to secure clear running.

S. Comments:Stewards asked apprentice S. Fawke to comment on the horse's performance. He indicated that although the horse raced very greenly

throughout the event, it responded well to his riding in the home straight and he was obliged to stop riding and alter course near the 100m in order to secure

clear running. He was of the view that the horse would take benefit from the run and he had recommended to connections to step the horse up over 1600m.

A post-race veterinary examination revealed a small amount of blood in the offside nostril as a result of external trauma.

S. Comments:After passing the 400m commenced to lay out and then weakened badly causing interference to runners which were following. A post race veterinary examination of the horse, which weakened badly from the 400m, found the horse to have some soreness in the off fore fetlock on flexion. Trainer B. Dais was advised he must have further veterinary inspection performed and following this stewards would consider if any further action should be taken.
