S. Comments:Slow to begin. Held up approaching and rounding home turn and near 400m had to be checked when dissatisfied for a run. Post race vet exam revealed laceration to hind leg consistent with being galloped on. When questioned as to performance rider stated that horse performs well when able to improve into the race from the 600m. Intereference suffered near 400 prevented it from doing this and was unable to quicken again following interference.

S. Comments:Questioned re performance, rider stated that with blinkers added to the gear he intended on settling in a forward position however his was unable to muster early speed and settled further back. Added that his mount started to work into a sprint rounding the home turn however he was obliged to stop riding it along when it was tightened for room at the entrance to the straight. Added that failed to sprint from this point and was disappointing in its run to the line. A vet exam did not reveal any abnormality.

S. Comments: Questioned re performance, rider stated that settled in a position worse than midfield as expected and travelled comfortably. Added that when the field commenced to sprint passing the 500m his mount was able to sprint with them however was only able to maintain its position. Stated it was first attempt over the 1530m journey and in his opinion it is better suited running off a faster tempo over a shorter distance. Trainer agreed with rider and advised that he would restrict to shorter journeys in future starts where the speed of the race is likely to be more genuine.
