S. Comments:T. Harrison explained that the mare had a nice run in a handy position on the rail, had travelled well to the turn and on straightening she was confident that the horse would finish its race off. She said when afforded clear running at the top of the straight and placed under pressure, the mare did not quicken and gave ground. She added that she was of the opinion that as the mare has only ever raced on firm tracks, it may not have handled today's soft track conditions.

| S. Comments:Commenced to pull hard after leaving the 800m. Apprentice S. Eilbeck was questioned regarding the tactics she adopted after leaving the 600m. She stated that at that stage of the race the mare was travelling well and she elected to ease out to be ready to place pressure on the leaders on straightening, however her mount was then forced to race four wide. Apprentice Eilbeck agreed that she had erred by shifting out at a critical stage of the race near the 500m rather than staying in with cover. |                      |                     |                         |
