S. Comments: When questioned as to his riding in the home straight, Jockey D Chipman stated that after being held up upon straightening the horse was inclined to lay in which prevented him from riding it with his usual vigour. Jockey Chipman added that passing the 150m he was obliged to steady in and away from the heels of GO BETTER and noted the horse was doing its best work over the concluding stages. Jockey Chipman was of the opinion that the horse would be better suited over further distance and with the addition of blinkers. Stewards noted the explanation. \$14,000 \$9,100 \$4 \$4

S. Comments:Rider guestioned re tactics, particularly approaching the 1800m. He said he had been instructed to ride the gelding off the fence, and passing the winning post on the first occasion he elected to shift out and race to the outside of COLLATERAL, however, COLLATERAL then shifted out, forcing him 3 wide from the 1600m, and he raced three wide thereafter. Trainer M. Wilson expressed some disappointment in jockey Fradd's ride in that after being caught wide in the early stages he would have expected him to ride forward and take up a position closer than being forced to race in a 3 wide position.

S. Comments:Rider stated gelding never travelled well after suffering interference coming to first turn and was under pressure. Rider added gelding did not respond to his riding in the straight and as a result he did not persist in riding it out to the line. Trainer informed stewards the gelding had worked well leading up to today's event and could not offer any excuse for the disappointing performance. Trainer undertook to report back to stewards should anything be amiss with the gelding. A post race veterinary examination of the gelding failed to reveal any significant abnormality.
