S. Comments:Riderquestioned regarding tactics. He said that two starts ago at the Gold Coast the horse was ridden in a more forward position as instructed. He added that at its last start the horse began awkwardly and lost ground, settling further back over an unsuitable trip. He further added that he was instructed to ride aggressively in the early stages to settle in a forward position. Trainer confirmed that instructions have been previously to settle in a forward position, however last start, due to circumstances, settled further back than anticipated. Stewards noted both explanations.

Doyle stated that the gelding was fractious in the barriers and as a result began awkwardly, causing him to settle further back than anticipated. He added that in his view this had a detrimental effect on its performance as the gelding is one-paced and is better suited when able to dictate terms when leading.	54 Shannon Doyle (1) 59	\$20,000 \$4.60 In Running: //

A post-race veterinary examination revealed no significant findings. A. Spinks was questioned regarding the horse's disappointing performance. Jockey Spinks stated that after losing ground at the start he contemplated settling towards the rear of the field, however as the speed was only slow in the early stages he elected to improve forward to obtain a forward position as instructed. He added that after travelling well in the middle stages the gelding was under immense pressure from the 700m and proved disappointing.	54 Andrew Spinks (7) 58.5	\$20,000 \$3.70F In Running: //

S. Comments:Raced three wide without cover throughout. Stewards questioned apprentice T. Brooker regarding her riding in the early stages as to whether there was an opportunity to obtain cover rather than racing three wide outside the leaders. Ms Brooker stated that at a point near the 1000m she was of the view that jockey Byrne (ROCK 'N' SUMMER) was likely to improve forward to the outright lied, which would have allowed her the opportunity to improve forward and settle outside that runner, however as this did not eventuate she was then left racing in a three-wide position.

S. Comments:J. Morris reported that after racing outside the lead he became concerned with the horse's action on straightening and as he was of the view that something may have been amiss with the mare he did not persist in riding it out and eased it down over the concluding stages. A post-race veterinary examination revealed the mare to be suffering from heat stress and to have a poor post-race recovery. Trainer B. Smith advised that he would have the mare scoped the following morning, the results of which he undertook to forward to stewards.
