S. Comments:When questioned regarding racing back in the field, Apprentice said that he had been instructed to ride the mare where he was comfortable. He said that after being bumped at the start and riding his mount along in the early stages when runners to his inside showed superior speed, he elected to restrain and take up a rearward position at the tail of the field. He added that his mount travelled comfortably thereafter and after being momentarily held up in the early part of the home straight he then worked to the line strongly.

When questioned regarding the disappointing performance of the gelding Apprentice said that his mount was standing awkwardly in the barriers and after beginning only fairly he had to ride the gelding along to take up a forward position to comply with his instructions. However, he added that he was hampered near the 950 metres and placed his mount under pressure from the 600 metres, where it failed to respond and was disappointing.
