S. Comments:Rquestioned re performance, rider stated that with blinkers added to the gear he intended on settling in a forward position however his was unable to muster early speed and settled further back. Added that his mount started to work into a sprint rounding the home turn however he was obliged to strop riding it along when it was tightened for room at the entrance to the straight. Added that failed to sprint from this point and was disappointing in its run to the line. A vet exam did not reveal any abnormality.

S. Comments:Rider questioned re tactics after being ridden forward - stated given no specific instructions except to jump with the field as previously been slow to begin. Added after beginning on terms with field elected to ride forward from wide barrier, to settle outside leader. Advised decision based on the fact there was no early speed and as such was reluctant to restrain to obtain cover at rear of field.
