S. Comments:Inquiry re improved performance. Trainer R. Cameron said at the horse's first start this preparation he was pleased with its performance, but was held up over the final stages. He said in a quality race at its most recent start it performed satisfactorily, but weakened at the finish, and after this he elected to experiment with a tongue-tie, and was of the view that this may have been beneficial for the horse's finishing effort. Apprentice A. Denby was fined \$100 for using her whip more than 5 times prior to the 100m.

S. Comments:Jumped away awkwardly, shifted in and made contact with Gold Artisan. Commenced to over-race near 800m and had to be checked from heels. Questioned re: tactics - particularly passing the 800m - Rider stated horse wasn't suited by slow tempo and was racing in restricted room to the inside of All Out of Love. From 600m he endeavoured to angle out to obtain an uninterrupted run in the home straight instead of improving on the fence behind the leader which he believed was unlikely to take him into the race.

S. Comments:Questioned re his riding, stated instructions had been to lead, after commencing well he was able to hold the lead in the early stages. Added that when Perignon improved to his outside, he was content to allow Perignon to cross his mount to obtain cover. Stated that, after obtaining cover, he was then held up in the early part of the straight behind Goldstream when that runner commenced to weaken and it was not until the 200m that he was able to obtain clear running. Vet exam revealed lacerations to both forelegs and a laceration to the tongue. Trainer confirmed the instructions were to lead.

Byrne stated that at the 1000m his intentions were to race to the outside of FELL SWOOP, and when FELL SWOOP was crossed by TWO BLUE he elected to move forward to ensure that FELL SWOOP did not improve and force him wider on the track, however after being bumped by FELL SWOOP passing the 800m, his mount was unable to be restrained and for that reason was forced to race three wide without cover.J. Byrne was advised that in similar circumstances he would be expected to take hold of his mount to allow the horse the opportunity to finish the race off to the best of its ability.
