S. Comments:Hampered shortly after the start. Raced wide in the early stages until being restrained to obtain a position at the rear of the field with cover.

When asked to comment on the performance, jockey S. Bogenhuber explained that after being caught wide and having to restrain to take up a position with cover at the rear of the field the filly was unable to race in its customary position and she felt that this, along with today's prevailing track conditions, contributed to the disappointing performance. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Began awkwardly and shifted out abruptly. Rider reported that the colt began awkwardly at its previous start resulting in it losing ground at the start. Rider added that it then overraced badly in the early and middle stages and as a result was forced to race 4 and 5 wide and despite this finished the race off well. Rider further added that despite beginning awkwardly today it was able to muster speed early and obtain the lead, which had always been the stable's intention.

S. Comments:Rider questioned re tactics, particularly approaching the 1800m. He said he had been instructed to ride the gelding off the fence, and passing the winning post on the first occasion he elected to shift out and race to the outside of COLLATERAL, however, COLLATERAL then shifted out, forcing him 3 wide from the 1600m, and he raced three wide thereafter. Trainer M. Wilson expressed some disappointment in jockey Fradd's ride in that after being caught wide in the early stages he would have expected him to ride forward and take up a position closer than being forced to race in a 3 wide position.

S. Comments:J. Byrne reported at scale that his mount was under pressure prior to the home turn and did not respond to his riding. Trainer D. Bell advised stewards that the horse had pleased him in the lead up to today's event, however he was very disappointed with its run today. He added that he would monitor the horse's post-race recovery and advise stewards should anything come to light in coming days. A post-race veterinary examination revealed no significant findings and a swab sample was taken.

S. Comments:Began awkwardly and shifted out abruptly. Rider reported that the colt began awkwardly at its previous start resulting in it losing ground at the start. Rider added that it then overraced badly in the early and middle stages and as a result was forced to race 4 and 5 wide and despite this finished the race off well. Rider further added that despite beginning awkwardly today it was able to muster speed early and obtain the lead, which had always been the stable's intention.
