 S. Comments:Slow to begin. Questioned re tactics rider stated that from his wide barrier and with the colt wearing blinkers again today, his instructions were to be in a forward position. He said that, after being slow to begin, he rode along, where the colt commenced to overrace in the early and middle stages and consequently he was obliged to allow the horse to stride forward and lead. Trainer agreed that the colt overraced in blinkers and indicated he would consider removing this gear and adding winkers. Vet exam revealed showing signs of respiratory distress and had abraded near hind bumper.

S. Comments:When questioned regarding her riding tactics, T. Harrison advised that two starts ago the horse raced in a forward position and last start again it was the intention to ride in that position, however the horse met with interference at the start and then again shortly after the start, which resulted in it settling further back than anticipated. Jockey Harrison further advised that today the intention was to ride in a position forward of midfield, however after being caught wide in the early stages she elected to ride forward and eventually obtained the lead near the 1000m.

S. Comments:Inquiry re tactics, particularly the reason for leaving a trailing position passing the 1300m and as a result racing 3 wide from that point. Jockey Londregan explained at that stage of the race the tempo slowed and when he was travelling behind LITTLE BOMBER, which was second-up from a spell over 2240m today, he decided to shift wider on the track and improve forward. He further added as BIGMORDRIVE is one-paced he had specific instructions to make a run from the 1000m, so he did feel his decision to move 3 wide was detrimental to the horse's chances. Stewards noted his explanation.

Harrison stated that despite losing ground at the start, the mare was still somewhat disappointing with its finishing effort. A post-race veterinary examination revealed a slower than normal recovery. S. Comments:Hampered by KAPGUN on jumping away and had to be steadied and lost ground. Jockey M. Cahill was asked to comment on the performance. He indicated that, in his opinion the overall performance was disappointing and that he had expected to settle at the tail of the field as the mare has a history of being slow to begin. He indicated this was the case after suffering interference on jumping. He added that he had considered improving to a position midfield in an attempt to trail ZIP TO THE MOON, however as he had been instructed by trainer Mr D. Vandyke to ensure that the horse had clear running
