S. Comments:When asked to comment on the poor performance of the gelding, Rider stated she was able to lead as per her instructions after beginning only fairly and being ridden positively, adding further that the gelding raced keenly in the middle stages and when asked for an effort from the 400m was found wanting. A post-race veterinary examination failed to reveal any abnormalities.

S. Comments:Near the 700m, put in a number of awkward strides, shifted in making contact with the running rail, and as a result became unbalanced and lost significant ground. A post-race veterinary examination revealed a minor laceration to the inside of the near hind leg consistent with having been galloped on. Trainer M Caltabiano was advised that the gelding would be required to barrier trial to the satisfaction of stewards prior to next racing.
