Rdr stated instructions were to be positive and to race in a handy position with cover if possible. After viewing race footage, Rdr agreed had erred in not attempting to restrain to a position behind leader mid-race and so give the horse an opportunity to finish the race off.

When quest re riding of gelding from 500m until 350m, Rdr explained when attempting to get to outside of heels near 500m, horse commenced to lay out as it rounded h/turn, carrying another runner wider-said it was not intention to race as wide as did at that point & was not aware had left room enough for runners to improve on inside. Consequently, favourite then shifted out into run presented.. Rdr reminded of obligations re control of mounts & leave no room for query about ride.
