Trainer advised stewards that this is the second occasion on which the filly has hung out at this track and may not be suited to racing at Ipswich. He indicated that it was now his intention to send the filly for an immediate spell. A post race veterinary examination revealed the filly to be shin sore. Trainer was advised that should the filly start within 6 weeks a veterinary clearance must be provided.

Apprentice Nothdurft advised that the gelding was forced to race back in the field and resented the kickback throughout the event. He added for this reason he shifted wider on the track rounding the home turn but the gelding failed to respond to his riding and proved disappointing. Mr Baker also expressed disappointment with the performance however added that the horse had previously raced poorly on Sand and Dirt tracks and will now look to avoid racing the gelding on these surfaces in the future.

Approaching and rounding the home was held up for clear running when awkwardly placed on heels. Further said shortly after straightening when afforded clear running her mount failed to respond to her urgings as expected and was disappointing. A post race vet exam revealed no abnormalities.
