on heavy track and in horse's best interest to keep it travelling on the brid	lle to give it every cha	nce of finishi	ng off the race. Placed under pressure rounding
home turn at which point it finished off the race better than expected. Con			
have improved earlier than he did. Noting horse had failed in heavy condit	tions previously stewar	rds advised r	ider not to leavy riding open to query.

S. Comments: When questioned regarding the disappointing performance of RAGE WITHIN, rider stated after being caught wide the mare raced more forward than anticipated, however when placed under pressure near the 600 metres failed to respond to his riding. S Bayliss further stated in his opinion the firm track in addition to it being 4 weeks between runs contributed to today's performance. A post race Vet exam failed to reveal any abnormality.
