S. Comments:Rider reported gelding never travelled comfortably and was continually changing stride. After being bumped near 600m and commenced to weaken badly and became concerned with action of elding so eased it out of the event. Post race vet failed to reveal any abnormality. Connections advised gelding must trial and undertook to report on gelding's progress following the event.

S. Comments:When questioned as to the tactics adopted, Jockey N Masuda stated he was instructed to position the gelding where it was comfortable. He noted that the gelding was having its first start for the stable and in a trial leading into today's race he had travelled in a forward position. Jockey Masuda added that after beginning fairly today he rode the gelding forward so as not to be caught wide which resulted in him settling outside the leader.

S. Comments:Stewards questioned rider into the tactics adopted on the mare in the early and middle stages. She stated that whilst she rides the mare work & is mindful of its racing manners in that when trying to restrain the horse it has a tendency to throw its head in the air and overrace.She further added that approaching the 800m the mare improved onto the heels & instead of fighting against the mare she allowed the mare to improve to its outside which resulted in racing wide for the majority of the race.

He added that he was wide as a result of this, however the horse travelled well into the home straight and was doing its best work over the concluding stages and he was pleased with the overall performance.
