Rider indicted the horse travelled well until the 600m but was then under pressure, weakening badly over the final 400m. Trainer indicated that the disappointing performance may have been as a result of the horse having its first start over 1600m on a soft racing surface, but was unable to loss to explain the performance. S. Comments: When asked to explain the horse's poor performance, apprentice J. Trainer stated that whilst dissapointed she did note it was first up today and slightly up in grade. However undertook to report to stewards should anything come to light in the days subsequent which may explain the dissapointing performance. A post-race veterinary examination revealed no abnormalities.
