S. Comments: Questioned re overall performance - rider stated after beginning well he was able to take up a handy position where the gedling travelled comfortably. Commenced to improve into the race rounding the home turn but failed to finish off the race as expected over the final 200m and prove dissapointing. Trainer thought the gelding raced flat today and may be better suited when ridden in the second half of the field. Indicated gelding would be freshened up before its next start. Vet exam - short striding in front.

performs best. He said that approaching the home turn he was in a winnable position, however the gelding failed to respond to his riding and went to the finish only fairly.
