When quest re riding of gelding from 500m until 350m, Rdr explained when attempting to get to outside of heels near 500m, horse commenced to lay out as it rounded h/turn, carrying another runner wider-said it was not intention to race as wide as did at that point & was not aware had left room enough for runners to improve on inside. Consequently, favourite then shifted out into run presented.. Rdr reminded of obligations re control of mounts & leave no room for query about ride.
