S. Comments:Began awkwardly. Raced keenly in the early and middle stages. Laid out under pressure in the home straight. When questioned on the improved performance, trainer advised that the stable had expected a forward showing at its previous start, however the gelding had endured a wide run on that occasion. Trainer further added in his opinion, that the gelding would benefit from racing over further distances, and that the stable had expected the gelding to perform well in the aforementioned event. Stewards noted the explanation.

When questioned, jockey advised the filly travelled well in the early and middle stages, despite some effort having to be mare of his mount to obtain a forward position, however when placed under pressure in the home straight it commenced to hang out and proved to be disappointing. Jockey further added that due to the filly hanging out he was unable to ride with his usual vigour in the home straight.

When questioned, rider advised that he had expected the gelding to obtain a more forward position, however it failed to muster early speed to do so. He further added that the gelding travelled only fairly throughout the event, and in his opinion, would be better suited over further distances. A post-race veterinary examination revealed no abnormalities.
