S. Comments:Inquiry re the below market expectation performance. Rider stated that the horse travelled well in the conditions until near the 400m and had enjoyed a favourable run throughout the event, however when asked for an effort in the home straight, his mount failed to respond to his riding and was, in his opinion, very disappointing. Vetted with no significant abnormalities detected. Trainer reported that post race the gelding was found to have a blood irregularity and would now undergo treatment.
