He agreed that it was disappointing however felt that it was doing its best work over the concluding stages and was not surprised with the forward showing today. S. Comments:The declaration of correct weight was delayed to allow stewards to consider an application by trainer M. Lakey that BROCSON be declared a non-runner due to that horse's barrier gates not opening at the same time as the rest of the field's gates had opened. After viewing the patrol footage, stewards were of the opinion that as the horse's barrier gates had only been marginally slow to open and that this had not materially affected the horse's chances, it would be declared a runner.

S. Comments:Slow to begin. Trainer B. Smith reported he anticipated the horse settling in a more forward position and was disappointed with the overall performance. He indicated he would gallop the gelding, before having an endoscopic examination performed and would report the results back to stewards. A post race veterinary examination failed to reveal any significant abnormalities. Mr Smith advised that the endoscopic examination was clear and the horse subsequently barrier trialed in blinkers and performed well. He indicated that he would add blinkers to the horse's gear as a result.
