A post race veterinary examination of the horse, which weakened badly from the 400m, found the horse to have some soreness in the off fore fetlock on flexion. Trainer B. Dais was advised he must have further veterinary inspection performed and following this stewards would consider if any further action should be taken.

back in field as had performed best when ridden in this manner. After making contact with BELLEVUE AVENUE near 1000m commenced to race keenly and was

obliged to restrain to obtain cover, resulting in settling further back than anticipated. Then forced to race wide rounding home turn and in home straight

where going was inferior however, doing best work over final 100m and may suit a step up in distance. Trainer confirmed instructions.
