S. Comments:When questioned, T. Harrison stated that she raced three wide without cover throughout, but was not overly concerned with this because she was of the view that the track conditions on the inside were inferior. She added that STRYKING STUNNAH's form suggests that the filly handles heavy tracks, however, in her opinion, being first up from a spell today, the prevailing track conditions may have been a telling factor on the performance. Trainer J. Zielke agreed that the filly failed to handle today's track conditions. A post-race veterinary examination revealed no abnormalities.

Questioned re tactics - instructed to lead if slow tempo otherwise settle handy with cover. Concerned with speed early so elected to steady to obtain cover which resulted in her settling further back than anticipated. Stewards advised that she had erred in not making more of an effort to obtain a forward position in the early stages. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination.

 S. Comments:Hung out from the 500m until entering the home straight, and whilst hanging out was forced wider on the track by another runner. When questioned as to the horse's performance, apprentice S. Eilbeck reported that the gelding never felt comfortable in its action throughout the event and when asked to improve into the race from the 600m commenced to hang out and shifted wider on the track. Apprentice Eilbeck added that over the concluding stages the gelding changed stride and dipped and for that reason she did not continue to pressure the horse. Vetted, no significant findings.

S. Comments:When questioned as to the performance, Jockey M McGuren stated that based on the filly's previous form he anticipated today's distance of 900m being too short. However, after beginning well the filly was able to obtain a position on the speed but was disappointing in its failure to finish the race off over the final 400m. Jockey McGuren was of the opinion that the filly would derive a fitness benefit from today's race. A post-race veterinary examination revealed the filly to have a slow recovery rate.

Stated from awkward barrier instructed to obtain cover back in field as had performed best when ridden in this manner. After making contact with BELLEVUE AVENUE near 1000m commenced to race keenly and was obliged to restrain to obtain cover, resulting in settling further back than anticipated. Then forced to race wide rounding home turn and in home straight where going was inferior however, doing best work over final 100m and may suit a step up in distance. Trainer confirmed instructions.
