S. Comments:When afforded the opportunity to comment on the horse's performance, jockey G. Goold stated that it was his intention to lead, however the gelding failed to show the necessary speed and as a result near the 800m he elected to try to maintain a position with cover, however was forced to race three wide throughout. He added that despite racing wide, the gelding was still disappointing in its overall performance. He also noted that the gelding may have come to the end of its current preparation. S. Comments:Raced wide throughout. Returned to the enclosure in a distressed state. Apprentice T Brooker reported that the mare was fractiou pre race and proved difficult to load. The horse, in her opinion, did not show its customary early speed and did not travel comfortably at any stage during the event. After pulling up she was of the view that the horse may have had a breathing issue during the event as it became distressed post race. A post race veterinary examination failed to reveal any significant abnormalities.
