S. Comments:Raced wide throughout. Returned to the enclosure in a distressed state. Apprentice T Brooker reported that the mare was fractiou pre race and proved difficult to load. The horse, in her opinion, did not show its customary early speed and did not travel comfortably at any stage during the event. After pulling up she was of the view that the horse may have had a breathing issue during the event as it became distressed post race. A post race veterinary examination failed to reveal any significant abnormalities.
