Comments: When asked to comment on the horse's performance, jockey D. Griffin explained that with the pace that was set early, his mount never

travelled comfortably on the bit and, further, he felt with the rail being out 10 metres, the horse was not comfortable on today's racing surface. He added that he advised trainer M. Lakey that in his opinion the horse would be better suited on a bigger track and over a longer distance that that of today's event. Stewards noted his explanation. Trainer agreed with rider's assessment and said he would step the horse up over further ground at its next start.

S. Comments: When asked to comment on the performance, jockey R. Wiggins indicated the horse at this stage of its preparation is looking for more ground. He added that the filly had been freshened up to start over 1200m and when the race was shortened again to 1100m due to the meeting being transferred to the cushion track, he indicated that this did not suit and as a result the horse was under pressure throughout the event. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments: When asked to comment on the performance, which was below market expectation, jockey N. Day indicated that the horse travelled well until under pressure from the 600m and then commenced to hang out and failed to respond in the home straight. Trainer C. Anderson indicated that in light of today's performance he would take the earmuffs off the mare for its next start and add blinkers back on, and to ride the horse a little more conservatively in future. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments: When questioned regarding the disappointing performance, apprentice L. Tarrant explained that when obliged to race wide in the early stages he allowed the horse to stride forward, which, in his opinion, did not suit his mount as he was of the view it is better ridden with cover. Trainer T. Hall agreed with these comments, and undertook to report back to stewards any abnormalities that may come to light which may explain today's performance. A post race veterinary examination of the horse, which compounded badly in the home straight, failed to reveal any significant abnormalities.
