

S. Comments:When asked to comment on the performance, which was below market expectation, jockey N. Day indicated that the horse travelled well until under pressure from the 600m and then commenced to hang out and failed to respond in the home straight. Trainer C. Anderson indicated that in light of today's performance he would take the earmuffs off the mare for its next start and add blinkers back on, and to ride the horse a little more conservatively in future. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:Slow to begin. Tightened for room between runners shortly after the start. When questioned regarding the performance, jockey J. Lloyd stated that as per its normal pattern the gelding raced in a rearward position. He added he was instructed to improve into the race passing the 600m or 700m as the horse is one paced, however it failed to respond to his riding, and subsequently he advised connections the horse would be better suited to larger tracks over more distance than that of today's event.
