S. Comments: The start of this race was delayed when the horse lost its near hind plate after leaving the enclosure, and after attempting to reattach the plate, the decision was made, after consultation with trainer K. Walker, to allow the horse to race bare foot behind as the farrier was unable to reattach the plate due to the horse being fractious. Raced with its head in the air when being restrained in the early stages. Held up rounding the home turn and obliged to alter course shortly after entering the home straight to secure clear running.

He added that the mare made an abnormal breathing noise up the home straight. A post-race veterinary examination revealed the mare to have an irregular heartbeat. Trainer K. S. Comments: When guestioned regarding the factics adopted on the horse and the performance today, jockey R. McMahon stated he had been instructed to ride the mare more conservatively today to allow it to run out a strong 2200m, and that whilst his mount travelled well in the middle stages, it was under pressure prior to the home turn. A post race veterinary examination revealed the mare to be coughing. Trainer B. Smith will be interviewed regarding today's performance
