| S. Comments:Raced keenly in the early stages. Held up for clear running rounding the home turn. Performed below market expectations. Rider advised his mount travelled only fairly throughout, and proved disappointing when asked for an effort in the home straight. A post-race veterinary examination revealed no significant abnormalities. |                         |              |                                      |
