S. Comments:when questioned over below market performance rider G Geran stated his intentions were not to race as forward as he did today, however after beginning well from the good draw he elected to maintain a forward position in the early stages. He added the gelding travelled well in the run but failed to run on when placed under pressure. Trainer R Hay confirmed CAMPONOLGY is better suited ridden further back in the field, and concurred with the comments of G Geran. Stewards accepted the explanation of both parties.
