S. Comments:Bumped at the start. Stewards questioned Apprentice regarding his riding of the gelding. He said that he had been instructed to ride the gelding midfield with cover. He added that approaching the 600 metres his mount raced keenly and improved onto the heels of the eventual winner and shifted out, resulting in him then having to sustain a 4-wide run without cover from the 600 metres. Apprentice concurred with stewards that he would have been better served by attempting to remain racing on the back of the winner, rather than place too much effort on his mount, and improve from that point.

S. Comments:When questioned apprentice explained he had been instructed to lead. He said after obtaining the lead in the early stages he elected to restrain his mount in an attempt to slow the tempo. He said at this point near 1000 metres other runners improved to his outside and in doing so crowded his running resulting in him losing ground. He added soon after he was held up on heels. He said he was again held up in straight and did not obtain clear running until near the 100 metre. Stewards advised apprentice that he should have made a greater effort to hold the lead when the tempo was only moderate.
