Ms English stated that after being slow away the mare got back a lot further than she would have liked. Given that this was the mare's first start in a clockwise direction, the mare was having some difficulty getting around the corners and therefore was reluctant to push her along until after the 600m. When she did apply pressure the mare then became unbalanced rounding the final two turns and after straightening finished the race off well. S. Comments:When questioned regarding the performance, jockey J. Byrne stated that the gelding failed to travel comfortably at any stage of the race and, in his opinion, proved disappointing. Jockey Byrne was of the view that the horse may improve when placed n races over further distances. Trainer C. Munce confirmed that the gelding would now be placed in races over further distances, and undertook to have blood tests conducted, the results of which he would report back to stewards. A post race veterinary examination failed to reveal any significant abnormalities.
