S. Comments:Raced in restricted room for a short distance shortly after the start. Trainer questioned regarding tactics whereby the horse led tonight's event, which is in contrast to its recent racing pattern. He said from the wide barriers at its 2 recent starts, it settled more rearward, however from the better barrier he expected the filly to be closer in the run, but was somewhat surprised to see it leading. He said the step up in distance from 1050m to 1200m tonight also assisted the filly in settling in a more forward position. Stewards noted the explanation.

S. Comments:When questioned regarding the improved performance Trainer K. Waller advised Stewards that the geldings most recent start over 800 metres was in his opinion conducted over an unsuitable distance, and for that reason, he elected to start the horse in the 1200 metre event today. He added that this factor along with the fitness benefit the horse derived from its most recent run, were the major contributing factors to the horses improved performance today.
