S. Comments:When questioned regarding the disappointing performance, Apprentice explained that after beginning only fairly she rode her mount along in the early stages in an attempt to obtain a prominent position, however when the pace slowed in the middle stages the mare commenced to over-race, was inclined to hang out and refused to settle. She said that when placed under pressure prior to straightening, her mount failed to respond and was disappointing. A post-race veterinary examination revealed the mare to have lost its near hind place and to have been galloped on.

She added that after beginning fairly her mount settled in a rearward position however when she moved away from the running rail it then commenced to overrace and made a long sustained run around the field and assumed the lead where it commenced to hang out rounding the home turn. Trainer confirmed instructions issued however agreed with the stewards that App should have made a greater effort to restrain in the early stages.
