After beginning only fairly he was of the opinion that he would have to work hard and race wide to obtain forward position, so he elected to race back in the field. He added that this was detrimental to the horse's performance. The mare went to the line well and would derive benefit from the race.

S. Comments:Began fairly and the tailed the field during the early stages of the event before making significant ground during the middle stages and finished the race off strongly. Stewards questioned jockey and trainer D. Rewald regarding the tactics adopted on the gelding. Mr Rewald stated that the horse was not suited by the fast tempo in the early stages and raced further back in the field than he anticipated, which he attributed to the weight of 63kg. However, he felt the gelding finished the race off strongly. Stewards noted the explanation.

S. Comments:Little slow to begin. Stewards opened an inquiry into the riding and performance of the gelding. Apprentice stated he was instructed to ride the horse back in the field as he had at its previous start then place the horse under riding from the 600 metres and it would respond well. Trainer confirmed these instructions and stated he would look to step the horse up in distance if possible. Stewards were of the opinion that Apprentice had erred in not placing the horse under pressure from approximately the 800 metres in an attempt to hold a position or race closer to the rear of the field.
