S. Comments:Fractious, reared and dislodged its rider after being loaded. Raceday Vet reported had observed the incident and in her opinion the horse was suitable to race. Began awkwardly and made contact with the outside barrier petition. Raced wide throughout. Rdr reported mount did not travel comfortably at any stage throughout the event. Tnr advised mare would be required to obtain a further barrier certificate prior to resuming. A post-race vet exam revealed poor recovery and the thumps.
