S. Comments:Near 200m obliged to shift inside heels to improve. Questioned re: improved performance trainer stated had pleased in work this preparation and was confident of chances today. Previous start it was second up over 1400m and pulled throughout early and middle stages which, along with 61kg impost, failed to sprint strongly in straight. Mr Lawson added gelding has never performed well under heavy weights. Gelding was third up, had minimum weight of 54kg and enjoyed comfortable run behind leaders throughout early and middle stages allowing it to finish the race off
