S. Comments:Began awkwardly. When the pace slowed rounding the turn near the 900 metres improved to the inside of another runner and had to be checked then continued to over-race for some distance. Passing the 400 metres had to be steadied when momentarily crowded between runners. Following the race Jockey reported that the gelding had got its tongue over the bit.

S. Comments:After being crossed in the early stages, commenced to race keenly. When questioned about her riding rounding the home turn, in particular as to how the favourite and eventual winner was able to obtain a run to her inside. Jockey said that, although she was aware that she had the favourite to her inside, her mount was already under pressure at that point and was inclined to lay out under riding, resulting in her shifting wider on the track. Jockey was advised to ride her mounts in a competitive manner at all times and not leave herself open to query.

S. Comments:For some distance passing the 700 metres was buffeted between runners, then commenced to over-race. Rounding the turn near the 500 metres hung out despite the efforts of its rider and carried another runner wider on the track, resulting in that runner then becoming awkwardly placed on the heels of the mare and having to be continually steadied. A post-race veterinary examination of the mare revealed the mare to have been galloped on. Trainer will be interviewed. Trainer advised the mare will now be sent for a freshen up.
