S. Comments:Was bumped by another runner which shifted out abruptly on jumping. Was inclined to race ungenerously and hang in for some distance passing the 900 metres placing Jockey at a severe disadvantage. Jockey reported that the gelding was never comfortable in the soft track conditions and had got its tongue over the bit in running, causing it to race ungenerously. Trainer advised that it is his intention to implement a gear change prior to the gelding racing again, in order to rectify its racing manners.

She added that after beginning fairly her mount settled in a rearward position however when she moved away from the running rail it then commenced to overrace and made a long sustained run around the field and assumed the lead where it commenced to hang out rounding the home turn. Trainer confirmed instructions issued however agreed with the stewards that App should have made a greater effort to restrain in the early stages. | | | |

When questioned regarding his riding of the gelding in the straight, Jockey explained that it had been inclined to lay out throughout the event, and when placed under pressure in the straight his mount was inclined to lay out. He added that near the 200 metres when a runner to his inside shifted out, was awkwardly placed on its heels and he then elected to shift to the inside, where it went to the finish only fairly.
