S. Comments:Inquiry re improved performance. Trainer R. Cameron said at the horse's first start this preparation he was pleased with its performance, but was held up over the final stages. He said in a quality race at its most recent start it performed satisfactorily, but weakened at the finish, and after this he elected to experiment with a tongue-tie, and was of the view that this may have been beneficial for the horse's finishing effort. Apprentice A. Denby was fined \$100 for using her whip more than 5 times prior to the 100m.

S. Comments:Upon returning to scale, App. B Ainsworth reported that her intention was to obtain a position closer to the speed, however, the gelding was slow to muster speed in the early stages despite her efforts and as a consequence settled further back in the field than anticipated. App. Ainsworth noted that the gelding was back in distance today and subsequently raced dour. A post-race veterinary examination failed to reveal any abnormalities at the time of examination.
