S. Comments: Questioned re performance - rider stated horse was fractious behind barriers, underwent vet exam and cleared to race. Rode with vigour early stages after slow to begin. Overraced between 1500m and 1100m. Failed to travel comfortably in middle stages. Commenced to improve into race rounding home turn but peaked on run over concluding stages. Trainer expected gelding to settle in forward position as does not appreciate racing towards rear of field. Failed to handle 59kg impost and raced on an inferior section of the track over final 600m. Post race vet did not reveal any abnormalities.

Jockey added at previous start unable to muster early speed despite his efforts and as a result settled further back than expected. Further added with step up in distance today was again obliged to ride vigorously in the early stages however, was able to muster required speed which resulted in him being able to settle closer to the speed today.
