S. Comments:A veterinary examination of the horse, which was kicked behind the barriers by the Clerk of the Course's horse, cleared the colt to start. Trainer D. Forster was questioned regarding the tactics adopted on the colt in leading in the event, which was in contrast to its normal racing pattern. Miss Forster stated that she had instructed jockey Cahill to ride the gelding positively to the first corner and then if possible to angle the colt off the fence. She added she did not expect the horse to be left in the lead and had hoped it would take up a handy/midfield position.

S. Comments:Stewards questioned J. Dann regarding the horse's improved performance in comparison to its most recent start. Mr Dann indicated that in his opinion the horse's form had been good prior to last start, where on that occasion the horse suffered minor interference near the 900m and was obliged to race wide throughout and was forced wider on a number of occasions after passing the 700m. In his view, these factors had significantly affected the horse's overall performance and he had expected a more forward showing in today's event.

McGillivray explained that rounding the turn he commenced to gather momentum in anticipation of obtaining a run outside VENECIA. He said when VENECIA hung out rounding the turn he was then held up at the heels of runners and when he became aware a run would not present itself in front of him he elected to steady and shift back to the inside of VENECIA to avail himself to that run.

S. Comments:Inquiry re performance and tactics adopted. Rider Allen indicated that in the early stages he was content to allow MADE TO ORDER to cross his mount as he felt he would get a nice trail behind the lead. He added during the middle stages he was of the view that the pace being set by the leader SAMBUCA SHOT was too fast and that the horse would weaken over the final 400m. He added that he was able to pressure his mount into the race after leaving the 600m as he would have liked, however the leader did not quicken as anticipated. He felt RECKLESS ABANDON finished the race off well.

He then had to pressure the horse in the early stages to remain in contact with the rest of the field and felt then that the horse travelled well until being asked for an effort rounding the home turn, however the horse did not quicken as he would have liked, however over the final 250m the horse was doing its best work, and he was obliged to steady over the concluding stages after improving on to heels.
