S. Comments:Rider questioned regarding her vigour from near the 500m until approaching the 300m. She said she slapped the horse down the shoulder approaching that point and it became awkward and shifted out. She then balanced it again and was concerned that as it was having its first start, it may make the turn awkwardly and she was reluctant to apply full pressure at that point. Stewards advised Ms Lacy that in similar circumstances she would be expected to apply full vigour as the horse had become more tractable at that point, however given her limited experience, took no further action.

Comments:When questioned apprentice rider advised stewards that after beginning well she elected to restrain her mount after being caught wide in the early stages of the event to a position closer to the rails in a rearward position, which was in accordance with its established racing pattern. She added she was satisfied with her position throughout the event as she was trailing the eventual winner, however when it improved into the race near the 600m she was unable to quicken with that horse and, in her opinion, the mare raced somewhat flat today.

S. Comments:Rider questioned regarding the performance, said that the mare did not appreciate racing in restricted room for some distance in the middle stages. He further stated that he was held up on the heels of Straight Gold for some distance passing the 200m and then thereafter when changing course to the inside of that runner had to steady when Private Secretary shifted out. Added that in the circumstances given that the mare had a chequered passage he considered the run to be better than it appeared on face value. A post race veterinary examination did not reveal any abnormalities.

Rider added gelding did not respond to his riding in the straight and as a result he did not persist in riding it out to the line. Trainer informed stewards the gelding had worked well leading up to today's event and could not offer any excuse for the disappointing performance. Trainer undertook to report back to stewards should anything be amiss with the gelding. A post race veterinary examination of the gelding failed to reveal any significant abnormality. He stated that, in consultation with Mr Conners, the trainer, he was instructed to settle off the lead in an attempt to run out a strong 1200m. He added that the filly was inclined to overrace, even with the tongue tie, and when he applied pressure approaching the home turn, failed to respond to his riding.

Cahill in relation to his riding from the 700m when it appeared he had opportunity to improve between horses.M Cahill agreed the horse was travelling well enough to improve at this point, however as TUMBLING AL had been inclined to hang out and he had similar concerns that DREAM SPEED may shift in, he was reluctant to improve into what he felt was only a tight run. He agreed that had he been able to obtain this position it would have resulted in him racing closer.
