S. Comments:Trainer T. Bourke was questioned regarding the horse's improved performance. He stated that he was disappointed with the rider's efforts at the horse's previous start on 13 August as the gelding tended to overrace when being restrained behind the leader. He added that ROCKY KING, prior to that start, had won a trial over 1270m at the Sunshine Coast in good fashion. The explanation was noted.

He was of the view that when he placed the mare under pressure in the straight, it weakened badly and was most disappointing. He added that the early quick tempo may have had a detrimental effect on the horse's finishing effort. Trainer L. Birchley advised that the horse would now be sent for an immediate spell.

S. Comments:T. Harrison explained that the mare had a nice run in a handy position on the rail, had travelled well to the turn and on straightening she was confident that the horse would finish its race off. She said when afforded clear running at the top of the straight and placed under pressure, the mare did not quicken and gave ground. She added that she was of the opinion that as the mare has only ever raced on firm tracks, it may not have handled today's soft track conditions.
